Jill Hotchkiss

I'm still wearing my Certified Hereford Beef (CHB) apron for this month's photo. Maybe something different

next month but CHB seems to be in the forefront of my mind as I write this.

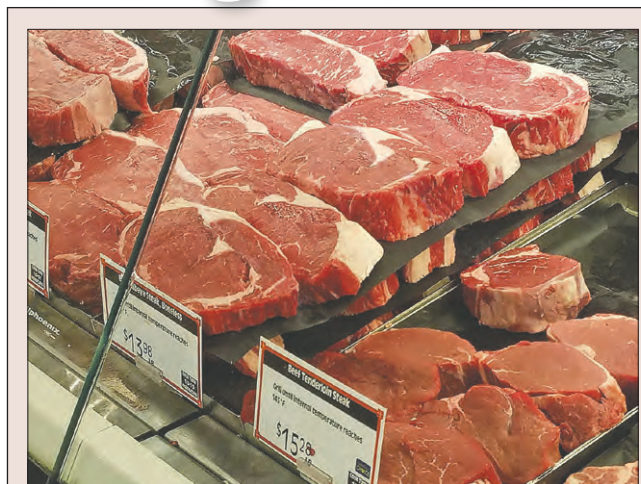

I had the pleasure of attending the North Dakota All Breeds Tour last month. It was held in the Dickinson area which isn't very far from us plus there were several Hereford breeders on the tour. The breed was very well represented with Hereford stops at Strohs near Killdeer, NE; Peltons near Halliday, ND; Friedts near Mott, ND; and a display by Zach and Larissa Tessier at Belfield. The highlight, however, was the banquet after the first day of touring. CHB prime rib was served by a local caterer and it was fabulous.

There was a great deal of pressure on the Hereford breeders for this product to be incredible. With an all-breed crowd of tour hosts plus a CAB-using caterer, the Hereford breeders had to use some finesse and negotiating skills to get it on the menu. I believe Kirsten Friedt had quite a lot to do with negotiating with the caterer! Great job. The meal was incredible and there a lot of compliments on the beef that night and into the next day.

The CHB was purchased at Cash-Wise in Dickinson so I decided to stop there on my way home. What a nice display of CHB and Greater Omaha 1881 Beef. I spoke with the

# Certified Hereford Beef program changes marbling specifications

The meat counter at the Dickinson, ND, Cash Wise store has a nice selection of Certified Hereford Beef® and Greater Omaha Hereford 1881 beef.

KANSAS CITY, MO — The Certified Hereford Beef® and the American Hereford Association (AHA) Board of Directors voted unanimously to modify the minimum marbling score requirement of the current Schedule G-10 for the Certified Hereford Beef brand.

The minimum marbling score requirement will be modified from a Slight00 marbling score to a Small00 marbling score to elevate the quality level of the Certified Hereford Beef® brand to a USDA Choice quality grade.

"Our Hereford farmers and ranchers have worked diligently over the years to improve the Hereford breed," says Amari Seiferman, Certified Hereford Beef® chief operating officer. "This modification is a testament to that work and proves Certified Hereford Beef® is a premium quality product. We are proud to move our brand forward into a new era of success."

The marbling score modification will go into effect on Jan. 1, 2019. The Certified Hereford Beef brand will serve cus-

## Young Hereford breeder combines skills, experience for a life in meat industry

Growing up in the Hereford business in southwestern Minnesota, then a bachelor of science degree from North Dakota State University (NDSU), Fargo, ND, and now an exciting career in the meat industry and volunteer work

keeps Jenna (Schmidt) McGunegill, Jasper, MN, intertwined in the industry.

Jenna's parents John and Joyce Schmidt and her grandparents, John E., and Delores Schmidt, are long-time breeders. They are

Jenna and Pat McGunegill, with children Mabry, Max and Logan.

active members of the Minnesota Hereford Association and show at state, regional and the national level.

CHB Fresh Seal ground beef packaged in 48 oz. or 16 oz. sizes. Packaged at J&B Group, Pipestone, MN from CHB originating in Greater Omaha plant.

Jenna started her national junior show participation at the 1999 Junior Hereford Expo in Chadron, NE. Along with her sister, Amber Seiss, they showed or attended Junior Nationals in Sioux Falls, SD; Milwaukee, WI; and Louisville, KY. Jenna ended her junior career in 2007 in Denver, CO. Her enthusiasm for Herefords and youth has fueled her to serve as the show coordinator of the Midwest Classic held each June in her hometown of Pipestone, MN.

On August 11, 2018, Jenna married Pat McGunegill. Pat and his family

## Jill's Editorial...

(continued from page 1)

meat manager there and he asked how the banquet was. I filled him in and he said he'd already had another producer who was on the tour buy some CHB to take home. I gladly loaded up on some New York strips and they have been delicious.

A short time before this trip and wonderful CHB experience, the program came out with a press release (see front page) about a change in their marbling requirements. Having served on the board of another Hereford beef program quite some time ago, I am somewhat familiar with these Schedules with the FDA. In this case it is a Schedule G10 which specifies the "certification of beef carcass quality and yield characteristics of officially graded beef." It also includes specifications for live animal requirements.

If you Google G10 Certified Hereford Beef, you will find quite a bit of information on it, including previous G10 specs.

The latest change addresses marbling. "The minimum marbling score requirement will be modified from a Slight00 marbling score to a Small00 marbling score to elevate the quality level of the Certified Hereford Beef brand to a USDA Choice quality grade," says the press release.

I find this interesting, after founding the program on a leaner Hereford beef

product that tastes like Choice. It is hard to fight the perception that Choice is better.

One thing I learned while on the beef packing company board I was on, the business of selling meat is very cut-throat and price drives a great deal of the business. Flavor and tenderness are huge factors in the end and are drivers in another sector of the business which focuses on a more high-end product which, I assume, is what they are trying to attain. I think there is room in the market for both.

CHB is an incredible product and Hereford beef is hard to beat, whether it is Select or Choice or Prime. It will be interesting to see where the program goes with their new specs and I am anxious to hear what their plans are for the future.

At the upcoming American Hereford Association annual meeting there is a session devoted to CHB program changes. I'm sure it will be an interesting discussion.

farm and raise Angus and Charolais cattle and Jenna has filtered Herefords into the mix now as well. They have three children, Logan (15), Mabry (12) and Max (7). “We enjoy working together as a family on the cattle, attending shows or participating in 4-H or FFA events,” she said. “We look forward to going as a family to the 2019 Junior National Hereford Expo.”

#### Growth of Midwest Classic

“My sister and I started the Midwest Classic in 2007 because Minnesota no longer had a summer junior show and it was something when we were younger, we enjoyed participating in,”

says Jenna. “The first year we had 35 head from Minnesota and South Dakota, hosting the event in late July after Junior Nationals. But we found late July to conflict with so many county fairs.”

When the Red River Valley Fair in Fargo, ND, held in June, moved to new dates in July, the sisters quickly rescheduled their event to the now available June weekend. The move turned out to be very beneficial and the event took off. By 2013, the Midwest Classic hit a record 165 Hereford entries. It now averages around 130 head, depending on time and location of the national junior show. In addition to Minnesota and South Dakota, juniors have traveled from North Dakota, Iowa, Nebraska, Kansas,

Schmidt Herefords cattle at the National Western Stock Show in Denver.

Another great turnout of junior exhibitors at the 2018 Midwest Classic

Wisconsin, Illinois, and Missouri to compete in the annual show and showmanship competition. “We try to accommodate juniors from many states, while not interfering with their other Hereford junior or preview shows.”

The Midwest Classic is hosted at the Pipestone County Fairgrounds, Pipestone, MN and along with growth has come many upgrades to show facilities. “The local county commissioners have been great,” said Jenna, “they are visionary and supportive of our event and the need to continually make improvements to the fairgrounds.” Within the last 10 years a new show arena, wash racks, and tie-outs were added, and a new stalling barn was built for the 2017 show. The

MN Junior Hereford Association board members assist with fundraising, and the event has built strong followership and financial support from donors. The 2019 Midwest Classic is June 21-23.

#### Career comes full circle

Jenna currently serves as Food Safety and Quality Manager for J&B Group, Pipestone, MN. Her involvement in Hereford cattle has come full circle since one product line the J&B Group utilizes is Certified Hereford Beef® (CHB).

Her exposure to the meats side of the industry began when competing in 4-H and FFA Meats contests. Jenna was a member of the 2001 National 4-H Meats Judging

(continued from page 10)

This led to her educational path, double majoring in animal science and food science with a minor in food safety from NDSU. She also judged meats at the college level, worked at the University meat lab and did an internship with Cargill. Jenna worked five years in the turkey industry for Northern Pride before moving back to her home area to work in the meat snack industry for a local company prior to joining J&B in 2016.

"I thoroughly enjoy my job working in the raw meat industry. No day is the same. It is full of variety, a lot like farming and raising cattle." Her duties involve working with USDA to ensure compliance standards, auditing the plant from food safety and quality perspective, visiting customers, writing policy and procedures, problem-solving, developing and implementing new products and managing her team.

The J&B Group primarily produces ground beef, portioned steaks, chops and chicken for retail and foodservice accounts in addition to their transportation and warehousing business units across their two locations, Pipestone and St. Michael, MN.

At her home-based facility, the focus is primarily on the production of ground beef products and portioned steaks, including the utilization of CHB in their product line. CHB ground beef is shipped in from Greater Omaha and packaged as part of the company's new Seal Fresh Program. Seal Fresh means nothing is added to the package, the product is in a

non-modified atmosphere, and the lack of oxygen increases the shelf-life of the raw product. Ground beef packaged through the Seal Fresh Program has a 25-day shelf life. "This new technology is great, to be able to take the shelf-life of a raw product out that many days, really has expanded what we can do at the retail level." The CHB Fresh Seal products primarily sold through Coborn's grocery stores, a chain in the upper Midwest, however, J&B does market the product through other customers as well.

#### Connecting Meats to Beef Production

From her work in food safety, Jenna can share back with others on the production side of the beef industry the importance of keeping cattle appropriately bedded, especially in feedlots. "Keeping hides clean is extremely important in keeping microbial loads down at the slaughter plants and in turn results in a much safer product for the end consumer."

"My job gives me the opportunity to share what happens behind the walls of a processing plant – the technology used to produce safe and high-quality products, how value is added to products cattle producers produce and tell the story from farm to plate. The reverse is true as well, my background of growing up and still actively being a part of our cattle and grain operation gives me a wealth of experience I'm able to share with co-workers, customers, and consumers who don't have as deep of an understanding of the beef production industry."

## Final Farewell....

### Andrea Sue Turner

Andrea Sue Turner, 75, of Valentine, NE, was welcomed into the kingdom of Heaven on Tuesday, September 11, 2018, after a valiant battle with illness. Her devotion to her family and firm belief in God supported her during her struggle and, ultimately, gave her peace.

The second child of Stan and Metta Harms, Sue was born on May 8, 1943, in Valentine. She attended school in Valentine and graduated from Valentine High School in 1961. As a child, she enjoyed swimming at the plunge and babysitting.

Sue married Lawrence Turner, her high school sweetheart and the greatest love of her life, on June 12, 1960. They raised three daughters and one son on their ranch east of Valentine. While ranch wife, mother, grandmother, and great grandmother were her primary occupations, Sue also worked as an assistant at the Valentine Dental Clinic and at Cherry County Clinic, where she always greeted patients with gentleness and kindness. For many years, she operated the Sale Barn cafe. Her pies are legendary. When visiting Sue at home, friends and family were always welcomed with a cup of coffee, dessert, or meal. Her cooking skills were extraordinary. She was also exceptionally skilled at wood-working and remodeling houses. If Sue set her mind on doing something, she figured out how and accomplished the task. Sue also loved children and en-

joyed working in the nursery and teaching Vacation Bible School at First Baptist Church.

Sue was a loving woman who touched the lives of so many. She will be greatly missed by her husband, Lawrence; children, Tammy and Jerry Swoboda (Bryan, TX), Marianne and Mike Henley (Richmond, VA), Sonja and Terry Beavers (Manassas, VA), and Larry and Melissa Turner (Sparks, NE); grandsons, Harrison Faust and Jesse Holler, Nathan Faust (Bryan, TX), Alton Henley (Stafford, VA), and Calvin Beavers (Manassas, VA); great grandsons, William and Hunter Faust; siblings and in-laws, Mallene Gilroy (Ontario, CA), Sonny and Susie Harms (Valentine, NE), Lesa Harms (Stuart, FL), Pat Harms (Lincoln, NE); Wilma and Delbert Boyd (Sequim, WA); and Walter and Kathy Turner (MN); cousin Dick Jeffers; and many nieces and nephews.

She was preceded in death by her parents, Stan and Metta Harms; in-laws, Raymond and Clarentine Turner; brother-in-law, Ron Gilroy; brother, Stanley J. Harms; and niece, Candace Harms.

Memorials in Sue's name may be made to the Samaritan Purse-Christmas Shoe Boxes or the American Diabetes Association, Attn: Ana Peele, 870 Greenbrier Circle, Suite 404, Chesapeake, VA 23320; Memo: In Memory of Sue Turner.

# Final Farewell....

## Wilford Seim

Wilford Seim, age 100, of Shadehill, SD, passed away on Saturday, October 6, 2018 at the Five Counties Nursing Home in Lemmon, SD.

Wilford Hans Seim was born September 25, 1918, to Willie & Blanche (Becker) Seim in their pine log home on the South Grand River in Perkins County, SD. He was the 4th of 9 children all born at home — Clara, Susie, Nellie, Wilford, Shelby, Fern, Norman, Horace, & Nels. Wilford attended grade school at West Roosevelt, and high school in Almont, ND. He also attended an agricultural school in Fargo returning to SD to ranch with his Dad. In 1936, they trailed their cattle to Ft. Berthold, ND, because of the drought, stayed there with the cattle for a year and trailed them back home again.

Wilford's passion was his Hereford cattle. He took great pride in buying the right bulls for his horned cows, always trying to improve the herd. Wilford enjoyed going to area bull sales and on Hereford tours. He was a great caretaker of his cows and land. Wilford always planted a big garden each year, started and tended many trees and flowers. He enjoyed hard work and could move anything with a fork and shovel!

Delores came into his life for a second time the fall of 1994. Their families were connected many years before

when Wilford's younger brother, Norman, married Delores's older sister, Dolly. When Delores came to South Dakota to visit relatives that fall, she found, when visiting his home, that Wilford still had a small framed picture of her on his shelf! They married on April 5, 1995. Together, they lived for the next 17 years on the remote ranch. With only a pickup trail to travel, they were snowed in for many days during some winters! Wilford & Delores moved into Lemmon in October 2012. They enjoyed playing cards, drinking coffee, and visiting when family & friends stopped by. In September 2013, Wilford entered the Five Counties Nursing Home. We celebrated his 100th birthday in September. He passed away there on Saturday, October 6, 2018.

Wilford is survived by his wife,

Delores, Lemmon, sister Fern Lowe, Northome, MN, brothers Norman Seim, Northome, MN, & Horace Seim, Shadehill, sisters-in-law Bonnie Seim Haynes, Meadow, and Darlene Price, Spearfish, step-sons Gary (Roxanne) Gebhard, Laurel, MT, & Salvin (Laurie) Gebhard, Laurel, MT, numerous step-grandchildren & great, & great-great grandchildren, nephews, & nieces.

He was preceded in death by his parents Willie & Blanche Seim, sisters Clara & Oliver Anderson, Susie & Jim Pulis, Nellie & Dale Briscoe, brothers Shelby & Nels Seim, brother-in-law Harold Lowe, sister-in-law Dolly Seim, nephews, Todd & Gregg Seim, Dave Pulis, Tom Seim, nieces, Barbara Pulis Zum Mallen, Karen Seim Hanks and numerous in-laws in the Milner family.

## Thank you!

To Bruce Everheart for the old 1904 and 1905 Hereford Herd Record Books.

He says his grandfather Harry O'Neal homesteaded in 1888 along with his brother Fank and father John O'Neal along the Miner County and Sanborn County lines SW of Fedora, SD.

They were Scots-Irish who settled first in Pennsylvania, moved to Iowa and with word of free land came to South Dakota.

At one time Harry had 6 quarters of land but lost all but one during the Depression years. His banker in Artesian, SD, told him he would loan money to him to save one quarter. He leased the land to Ferdinand Schwader of Howard, SD until he could rebuild his own herd of Hereford cattle again.

Bruce's mother had a clipping of Harry topping the market in Chicago, IL. Cattle then were shipped by rail because there were no packing plants in the area at that time.

# Final Farewell....

## Carl W. Kucera

Carl W. Kucera, 90, of Litchfield, NE, passed away at Rose Lane Nursing Home in Loup City on Saturday, Sept. 1, 2018.

Carl Wayne Kucera was born at home Dec. 21, 1927, near Davis Creek in the North Loup Township to Frank H. and (Millie) Johanna Maria Amelia (Neumann) Kucera. In 1936, they moved to a farm north of Hazard where he had his first horse. He attended Pleasant Hill country school and graduated from Litchfield High School in 1945. Carl and his brother, George, rode their horses to attend high school.

In the spring of 1946, Carl joined the United States Army and served as a paratrooper for the Army of Occupation, 11th Airborne, in Japan. He returned home the summer of 1947 to continue his life in farming, working for Irwin Urwiller of Ravenna, NE. He was experienced with handling horse-drawn equipment to do farming until he purchased his first Minneapolis Moline tractor.

On May 23, 1951, he married his high school sweetheart, Grace Kuhn, at the family farm of Clyde and May Kuhn, north of Litchfield. Carl worked for Klein Elevator in Ravenna. During their married life they resided on farms south of Sweetwater and south of Hazard until purchasing the farm north of

Hazard, which eventually included the farm where Carl spent his youth and teen years.

Carl and Grace resided on this farm for 55 years. They celebrated their 65th anniversary at the family farm in 2016. They had seven children, 19 grandchildren and 17 great-grandchildren.

Through his life Carl farmed, milked cows and raised registered Polled Hereford cattle with his son, Frank. Carl enjoyed farming every day and believed it was the best life for raising a family. Carl also served as rural mail carrier for the Hazard and Sweetwater post offices before finishing his 13-year career for the Cairo post office.

Carl had an active public service interest in his life. He served on the Hazard school board and was instrumental in the construction of the new elementary school in 1960. As a youth, Carl rode his horse to Hazard to attend Confirmation classes at the Hazard Lutheran Church parsonage with the Rev. O.J. Lundly. Carl was confirmed along with his brother George in 1945. Carl was a lifelong member of Faith Lutheran Church and served on the church council, was the Sunday school superintendent, a Sunday school teacher and confirmation instructor during the years his children were in attendance. Carl's church membership was an ongoing blessing throughout his life.

Carl was elected to the Sherman County Board of Supervisors in 1982. He led the change from a seven-member board of supervisors to a three-member commissioners' board. Carl served 14 years, 10 of those as board chairman, and was the representative for Region 26 Emergency Services. He enjoyed the challenges and projects while working with other public officials and appreciated visiting with the people of Sherman County and state officials of Nebraska.

Carl found joy in everyday experiences. He always found time throughout his busy life to help a neighbor, lend a helping hand to all family members and be present at the activities and events of his children and grandchildren. Celebrating family was the constant. Family get-togethers for every holiday and birthday kept everyone connected.

In the early years, Carl enjoyed riding his favorite horse at the time to check cattle. Later it was a pickup ride to the pastures on a summer evening to put out salt. Always he could be heard whistling on a "Minnie" tractor heading out to the fields to farm.

Survivors include his wife, Grace; four daughters, Judy and Steve Strate of Litchfield, Hope and Brian Pritchard of Pleasanton, Joyce and Bill Schmeeckle of Lincoln and Dawn and Toby Clayton of Holdrege, and three sons, Frank and Judy Kucera of Litchfield, Carl L. and Diane Kucera of Litchfield and John and Michele Kucera of Gibbon.

Grandsons include Jared Strate, Lincoln; Caleb Strate and family, Lincoln; Luke Kucera and family, Hazard; Seth Kucera and family, Pleasanton; Clint Pritchard, Pleasanton; Cole Pritchard and family, Kearney; Matt Kucera and family, Omaha; Will Schmeeckle and family, Lincoln; Adam Kucera, Omaha; Dillon Clayton, Omaha, and Samuel Kucera and Jacob Kucera, Gibbon. Granddaughters include Leah (Kucera) Halter and family, Kansas City; Lynn (Kucera) Harper and family, Omaha; Erika Pritchard, Kearney; Samantha (Schmeeckle) Drummond and family, Miami; Danielle (Clayton) Woollen and family, Holdrege; Antonia Clayton, Holdrege, and Emma Kucera, Gibbon.

He is survived by his brother, Maynard Kucera, Litchfield; and sisters-in-law, Janet Kucera, Pleasanton, JoAnne Kucera, Ravenna, and Coreen Kucera, Litchfield.

He was preceded in death by his parents; his brothers, George and Dale ("Buzz"); infant brother, Francis; and sisters, Opal Reese and EvaMae Laing.

Memorials are designated to Faith Lutheran Church. Online condolences may be sent to the family at [www.rasmussenfh.com](http://www.rasmussenfh.com)

# James Carmichael Memorial Scholarship Foundation for Youth with Hereford Background

## BACKGROUND

James Carmichael, Meadow, SD, was a lifelong Hereford Breeder & Cattleman. James Carmichael was a quiet man, very devoted to his family and friends. He had a great appreciation of all livestock, but especially his Hereford cattle. He very much appreciated the quiet, peaceful range country they lived in. James Carmichael passed away in September 2007.

The Carmichael Family has dedicated this scholarship fund to James Carmichael's memory. His widow and children wish to honor his name and memory by giving young people that have a love for Hereford cattle and agriculture an opportunity to further their education in the hope of providing strong leadership for the agricultural world in the future.

## ELIGIBILITY

Applicants are eligible from South Dakota, North Dakota, Montana, Wyoming and Nebraska.

This application is available to all High School Seniors and those already attending colleges or universities.

# Congratulations to Johnson Herefords on 100 Years of Herefords!

Milford, Iowa

Jack and Lynne Johnson and family celebrated their 100th year with Hereford cattle on September 29.

Here are a few photos from their special day. Look for full article in our January issue!

Jack and Lynne Johnson slowed down enough for a photo. A nice crowd turned out for the event and there were cattle on display along with historical items.

The Johnsons on the cover of the April 1, 1952 Hereford Journal.

## Nebraska's Hereford Crossroads

Monahan family members were on hand to receive the Hereford Crossroads Hall of Fame induction of Earl Monahan of Whitman, NE.

The bull Golden Diamond was inducted into the Hereford Crossroads Hall of Fame. He is the first polled bull to be added to the list of inducted bulls. Looking on are artist Wade Lawrence of Minnesota and bull owners Kevin, Anthony and Ernie Kuhlmann all of North Platte. Lawrence and his mother drove 11 hours to deliver the bull on time for the event in Mullen, Nebraska on October 13th.

Pictured above, descendents of the Mousel Bros. of Cambridge, NE, came a distance to see the brothers inducted into the Hereford Crossroads Hall of Fame.

## On The Move to WY

Bar Pipe Hereford Ranch is pleased to announce that Durbin Creek Ranch of Thermopolis, Wyoming has purchased our entire cowherd and 35 bred heifers. We are very excited that our cowherd will remain together and that Durbin Creek will continue to move our breeding program forward. A big thank you to the Agar family and best wishes for your continued success.
